

## **Chuang-Ming Liu, LEED AP, Project Architect**

### **Brief Bio:**

Liu has been a Project Manager with Klop Architecture since 2014 and has worked in architecture for more than 14 years. He has worked for a number of Bay Area firms in the past, and brings his design and management skills to modern residential projects at Klop Architecture. In his time with the firm, he has led dozens of modern and mid-century modern projects, and also leverages his MBA in design strategy to help with business development, scheduling, and firm growth.

He graduated with a Masters of Architecture from the University of Illinois at Urbana-Champaign and a BS in Construction Engineering at the National Taiwan University of Science and Technology, Taipei, Taiwan.

Liu lives with his wife and their two cats in the SOMA district of San Francisco.
